

## A-0059 Surface Protection Solution

### Description

<https://safetytools.no/en/product/a-0059-surface-protection-solution/>

Surface Protection Solution is developed for general maintenance work in and outside ATEX-gas zones. The solutions contain tools for work on the pre-treatment of larger areas.

The solution contains three air tools, five rotating grinding files, and our paint removal disc. Surface Protection Solution contains everything you need for general surface maintenance and corrosion removal.

### Technical data

The air tools, grinding files, and grinding disc are Ex-certified as safe to use in ATEX gas zones 1 and 2.

**Weight:** 17kg

**Dimensions:** 54x44x21cm
