

The Pipe Bungee is a simple accessory for Safety Tools Rough Boy grinding file that will make grinding pipes easier.

The Bungee cord can easily be adjusted to fit around pipes of various sizes (standard length fit up to 22inches). It will make it easier to operate the grinder and the operator can work effortlessly even under the pipe. The Bungee Kit will fit on any Safety Tool "Handle for Rough Boy – A-0060RB" (A-0009 and A-0010 file when used with A-0060RB handle)

For video and more information about the Pipe Bungee please visit our web page or contact us.
